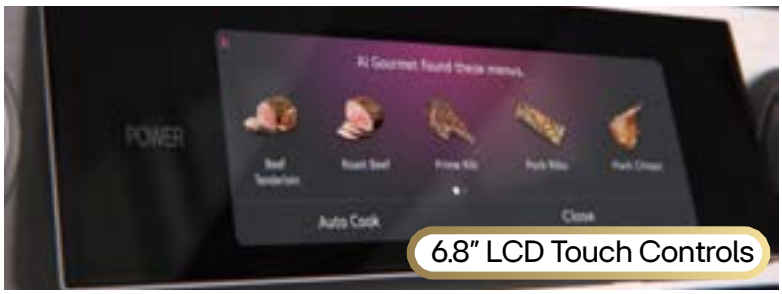
Step Up to the

LG SIGNATURE LSIU6339XE 30” Induction Range with AI Gourmet Camera

The Concierge LG SIGNATURE



Elegant Simplicity with a 6.8” Touchscreen

- Showcase the ease of use of the intuitive 6.8” LCD touchscreen controls featuring Auto Cook.
- Take the guesswork out of cooking, select the type of food you are cooking, and follow the on-screen directions for the ideal settings.

As Powerful as it is Beautiful

- Thoughtfully engineered induction technology combines a 4.3kW UltraHeat™ element with edge-to-edge precision.
- The bridge element connects two cooking zones to accommodate larger cookware, while the smooth glass surface enhances the kitchen’s built-in aesthetic.

Minimalist Modern Design

- Elegant Flex Control Knobs feature an LED light above the knob to let you know they are on.
- Premium handle design with an elegant brass accent adds a refined finishing touch.

AI Gourmet

- Point out the oven camera inside.
- Explain how AI Gourmet can recognize food and recommend optimal cooking settings and recipes.
- **Pro Tip:** Use plastic veggies to demo the AI recognition.
- Customers can monitor cooking remotely on ThinQ®.
- AI Browning Alerts help notify users when baked goods reach ideal browning levels.
- Demonstrate how customers can create short cooking videos directly from the oven experience.
- Great lifestyle feature for entertaining and social sharing.

The LG SIGNATURE Experience

What Premium Features Are Included with LG SIGNATURE?

Dynamic ProBake®

- Dynamic ProBake® Convection gives all LG SIGNATURE ranges and ovens the power to pre-heat faster, roast more evenly, and enables Auto Cook to deliver exceptional results every time.
- With high RPM airflow and two-way fan rotation, Dynamic ProBake® enables immediate heat delivery without preheating.
- Intelligent airflow helps reduce hot spots for more even roasting and baking results compared to LG ProBake®.

Auto Cook

- Open Auto Cook on the 6.8" LCD touchscreen.
- Walk customers through the available food categories and preset cooking options.
- Explain that the oven automatically recommends cooking mode, temperature, rack position, and cook time.
- Position Auto Cook as a stress-free cooking experience for busy families, new cooks, or anyone wanting better results.

Concierge

Whether it's registering your products, scheduling maintenance, or offering simple advice, LG SIGNATURE Concierge Service will match you with personal, **dedicated concierge** who can help.
